Warranty Certificate

Seller warrants that the equipment sold under this contract shall be free from defects in material and workmanship for a period of twelve (12) months from the date of equipment startup or eighteen (18) months from the date of shipment, whichever occurs first. The following components only, can be optionally warranted against defects in materials and workmanship for a period of five (5) years from date of shipment: fans, fan shafts, fan motors, bearings, pulleys, gear reducers, V-belt reducers, drive shafts, and couplings, this excludes V-belts. This extended warranty is available as an option, at an extra cost that must be included in the purchase order by the Buyer, otherwise the standard 12/18 months warranty will apply

Replacement Parts provided by Seller under its original equipment warranty obligations are warranted against defects in materials and workmanship for a period of twelve (12) months from date of shipment. Parts purchased after expiration of the original equipment warranty, are warranted against defects in materials and workmanship for a period of twelve (12) months from date of shipment.

Written report of any defect shall be provided immediately upon discovery by Buyer, and shall fully describe the defect, including pictures. This applies to defective components, not to short-shipments, which are covered under the next paragraph. It is the Buyer's responsibility to inspect all the equipment immediately upon receipt thereof. All claims for non-conformity or shortage of equipment must be made in writing within ten (10) calendar days of receipt of goods. Failure to submit a claim within the time allowed shall be deemed a waiver of such a claim and admission that the equipment received complies with all terms, conditions and specifications of the Contract.

Defective parts shall be repaired or replaced F.O.B. point of shipment of original order, provided that inspection by Seller verifies the claimed defect. This shall be Buyer's exclusive remedy. Seller assumes no liability for any labor costs incurred on removing or re-installing the components object of the warranty claim. Buyer is responsible for returning freight pre-paid any defective components to the Seller

Repairs made without the prior written approval of Seller shall void all warranties covering material and workmanship. This warranty shall not apply to any equipment which has been subjected to misuse, neglect, improper storage or the continued usage of any equipment after a defect has been discovered.
